

Part 1.1

What do you do for a living?

Describe your favorite hobby.

Tell me about a memorable experience you had recently.

Part 1.2

Compare the two living environments.

Which environment do you prefer to live in and why?

What are the challenges of living in each environment?

Part 2

What are your thoughts on learning a second language?

Do you think it is essential for everyone to learn a second language? Why or why not?

How can schools encourage students to learn new languages?

Part 3

Cities should have more green spaces and parks	
<ul style="list-style-type: none">• Parks offer places for people to relax and exercise.• Green spaces improve air quality and reduce heat.• They can bring communities together and improve mental health.	<ul style="list-style-type: none">• Creating and maintaining parks can be expensive.• It might take away space from other developments.• Not all areas have the space for large parks.
