

**MULTILEVEL
SPEAKING**

PART 1.1

1) WHAT KIND OF MUSIC DO YOU LIKE AND WHY?

I ENJOY A WIDE RANGE OF MUSIC, BUT I PARTICULARLY LIKE CLASSICAL AND JAZZ. CLASSICAL MUSIC HAS A WAY OF TELLING STORIES THROUGH **INTRICATE MELODIES** AND **HARMONIES**, WHICH CAN BE BOTH SOOTHING AND INSPIRING. JAZZ, ON THE OTHER HAND, IS FULL OF **IMPROVISATION** AND CREATIVITY, MAKING EACH PERFORMANCE UNIQUE. BOTH GENRES HAVE A RICH HISTORY AND OFFER A LOT OF EMOTIONAL DEPTH, WHICH IS WHY THEY **RESONATE** WITH ME SO MUCH.

INTRICATE MELODIES- NOZIK NOTALAR

HARMONIES- O`ZARO MOSLIK

IMPROVISATION- IMPROVIZATSIYA

RESONATE-AKS SADO BERADI

PART 1.1

2) DESCRIBE YOUR DAILY ROUTINE

EVERY DAY, I GET UP EARLY AND START WITH A JOG TO EXERCISE. AFTER **JOGGING**, I TAKE A SHOWER AND THEN HAVE BREAKFAST. I BEGIN MY WORK AND TAKE A LUNCH BREAK AROUND MIDDAY. AFTER WORK, I REST AND ENJOY SOME TV IN THE EVENING. FOR DINNER, I EAT A NICE MEAL AND THEN READ A BOOK BEFORE GOING TO SLEEP. THIS ROUTINE HELPS ME STAY ACTIVE AND BALANCED THROUGHOUT THE DAY.

JOGGING-YUGURISH

PART 1.1

3) WHAT IS YOUR FAVORITE HOLIDAY DESTINATION AND WHY?

MY FAVORITE HOLIDAY DESTINATION IS THE BEACH. I LOVE IT BECAUSE OF THE WARM SUN, SOFT SAND, AND RELAXING SOUND OF THE WAVES. IT'S A PERFECT PLACE TO UNWIND, ENJOY SWIMMING, AND TAKE LONG WALKS ALONG THE **SHORE**. THE BEACH ALSO OFFERS BEAUTIFUL SUNSETS AND A CHANCE TO RECHARGE, MAKING IT MY TOP SPOT FOR A REFRESHING BREAK.

SHORE- SOHIL

PART 1.2

COMPARE THE TWO VACATION SPOTS.

WHICH VACATION SPOT DO YOU PREFER AND WHY?

WHAT ARE THE ADVANTAGES AND DISADVANTAGES OF VACATIONING IN EACH LOCATION?

PART 1.2

COMPARE THE TWO
VACATION SPOTS.

IN THE FIRST PICTURE, WE SEE A CROWDED BEACH WITH LOTS OF PEOPLE ENJOYING SUNBATHING AND SWIMMING. THIS SETTING IS GREAT FOR WATER SPORTS LIKE **SURFING** AND BEACH VOLLEYBALL, WHERE YOU CAN JOIN IN WITH OTHERS AND HAVE FUN IN A LIVELY ENVIRONMENT. IN THE SECOND PICTURE, THERE'S A PEACEFUL, **SECLUDED** MOUNTAIN. THIS PLACE IS IDEAL FOR ACTIVITIES LIKE HIKING AND ROCK CLIMBING, WHERE YOU CAN ENJOY NATURE AND HAVE A QUIET ADVENTURE AWAY FROM CROWDS.

BOTH DESTINATIONS OFFER UNIQUE EXPERIENCES: THE BEACH IS PERFECT FOR SOCIAL, WATER-BASED SPORTS, WHILE THE MOUNTAIN IS GREAT FOR PEACEFUL, NATURE-FOCUSED ACTIVITIES.

SECLUDED- YOLG`IZ

PART 1.2

WHICH VACATION SPOT
DO YOU PREFER AND WHY?

I PREFER THE MOUNTAIN FOR A VACATION. I ENJOY THE PEACE AND QUIET OF NATURE, AND IT'S A GREAT PLACE TO RELAX AND UNWIND AWAY FROM CROWDS. HIKING AND EXPLORING THE MOUNTAINS ARE EXCITING AND OFFER BEAUTIFUL VIEWS. IT'S A PERFECT SPOT FOR ENJOYING **SOLITUDE** AND CONNECTING WITH NATURE, WHICH HELPS ME RECHARGE AND FEEL REFRESHED.

SOLITUDE-YOLG'IZLIK

PART 1.2

WHAT ARE THE ADVANTAGES AND DISADVANTAGES OF VACATIONING IN EACH LOCATION?

A CROWDED BEACH HAS THE ADVANTAGE OF LOTS OF ACTIVITIES AND SOCIALIZING OPPORTUNITIES. YOU CAN ENJOY SWIMMING, BEACH GAMES, AND MEET NEW PEOPLE. HOWEVER, IT CAN BE NOISY AND CROWDED, WHICH MIGHT MAKE IT HARD TO FIND A QUIET SPOT.

ON THE OTHER HAND, MOUNTAIN OFFERS PEACE AND BEAUTIFUL NATURE. IT'S PERFECT FOR HIKING AND ENJOYING SOLITUDE. THE DOWNSIDE IS THERE MIGHT BE FEWER ACTIVITIES AND LESS ACCESS TO AMENITIES. IT'S ALSO IMPORTANT TO BE PREPARED FOR THE CHALLENGE OF REMOTE TRAVEL.

PART 2

WHAT ARE YOUR THOUGHTS ON THE ROLE OF TECHNOLOGY IN EDUCATION?
DO YOU THINK TECHNOLOGY IMPROVES THE QUALITY OF EDUCATION? WHY OR WHY NOT?
HOW CAN TEACHERS EFFECTIVELY INTEGRATE TECHNOLOGY INTO THEIR TEACHING?

PART 2

TECHNOLOGY PLAYS A BIG ROLE IN EDUCATION TODAY. IT CAN REALLY IMPROVE THE QUALITY OF LEARNING IN MANY WAYS. FIRST, TECHNOLOGY MAKES INFORMATION MORE ACCESSIBLE. STUDENTS CAN USE THE INTERNET TO FIND INFORMATION QUICKLY AND LEARN ABOUT ALMOST ANY TOPIC. THIS HELPS THEM GET A DEEPER UNDERSTANDING OF SUBJECTS AND ACCESS RESOURCES THAT WEREN'T AVAILABLE BEFORE.

SECOND, TECHNOLOGY CAN MAKE LEARNING MORE ENGAGING. INTERACTIVE TOOLS LIKE EDUCATIONAL GAMES, VIDEOS, AND VIRTUAL FIELD TRIPS CAN MAKE LESSONS MORE INTERESTING AND HELP STUDENTS STAY FOCUSED. THIS KIND OF LEARNING CAN ALSO **CATER** TO DIFFERENT LEARNING STYLES, WHETHER A STUDENT LEARNS BEST BY SEEING, HEARING, OR DOING.

HOWEVER, IT'S IMPORTANT TO USE TECHNOLOGY WISELY. IF STUDENTS USE IT TOO MUCH, THEY MIGHT BECOME **DISTRACTED** OR RELY ON IT TOO **HEAVILY**. TEACHERS NEED TO BALANCE TECHNOLOGY WITH TRADITIONAL TEACHING METHODS TO ENSURE STUDENTS ARE LEARNING EFFECTIVELY. THEY CAN DO THIS BY USING TECHNOLOGY TO **COMPLEMENT** THEIR LESSONS, NOT REPLACE THEM. FOR EXAMPLE, THEY CAN USE VIDEOS TO EXPLAIN COMPLEX CONCEPTS, BUT ALSO INCLUDE DISCUSSIONS AND HANDS-ON ACTIVITIES TO DEEPEN UNDERSTANDING.

IN SUMMARY, TECHNOLOGY HAS GREAT POTENTIAL TO ENHANCE EDUCATION BY MAKING LEARNING MORE ACCESSIBLE AND ENGAGING. BUT IT NEEDS TO BE USED THOUGHTFULLY AND IN BALANCE WITH OTHER TEACHING METHODS TO TRULY BENEFIT STUDENTS.

VOCABULARY

CATER- QONDIRISH

DISTRACTED-CHALG'ITDI

HEAVILY-OG'IR

COMPLEMENT-TO'LDIRUVCHI

PART 3

THE USE OF PLASTIC SHOULD BE BANNED.

FOR

- BANNING PLASTIC REDUCES ENVIRONMENTAL POLLUTION AND PROTECTS WILDLIFE.
- IT ENCOURAGES THE USE OF SUSTAINABLE AND ECO-FRIENDLY ALTERNATIVES.
- DECREASES THE AMOUNT OF NON-BIODEGRADABLE WASTE IN LANDFILLS.

AGAINST

- PLASTIC IS VERSATILE AND USEFUL IN MANY APPLICATIONS, INCLUDING MEDICAL SUPPLIES.
- THE BAN COULD LEAD TO INCREASED COSTS FOR BUSINESSES AND CONSUMERS.
- THERE ARE CHALLENGES IN FINDING SUITABLE AND SCALABLE ALTERNATIVES FOR ALL PLASTIC USES.

PART 3

I WANT TO TALK ABOUT WHETHER WE SHOULD BAN THE USE OF PLASTIC. THERE ARE SOME STRONG REASONS TO CONSIDER THIS.

FIRST, BANNING PLASTIC CAN REALLY HELP OUR ENVIRONMENT. PLASTIC POLLUTION IS A BIG PROBLEM THAT HARMS OUR WILDLIFE. ANIMALS MISTAKE PLASTIC FOR FOOD, WHICH CAN HURT OR KILL THEM. IF WE BAN PLASTIC, WE CAN **PROTECT** THESE ANIMALS AND KEEP OUR PLANET CLEAN. SECOND, A BAN ON PLASTIC WOULD ENCOURAGE US TO LOOK FOR MORE SUSTAINABLE AND ECO-FRIENDLY MATERIALS. WE COULD START USING ITEMS MADE FROM NATURAL MATERIALS THAT BREAK DOWN EASILY AND HAVE LESS IMPACT ON THE ENVIRONMENT. THIRD, BANNING PLASTIC CAN DECREASE **NON-BIODEGRADABLE** WASTE IN **LANDFILLS**. PLASTIC CAN TAKE HUNDREDS OF YEARS TO BREAK DOWN, AND THAT ADDS TO OUR WASTE PROBLEM. FINDING BETTER ALTERNATIVES WOULD HELP REDUCE THIS BURDEN.

HOWEVER, THERE ARE ALSO IMPORTANT POINTS AGAINST A PLASTIC BAN. PLASTIC IS VERY USEFUL, ESPECIALLY IN MEDICAL SUPPLIES. MANY ESSENTIAL ITEMS LIKE **SYRINGES** AND IV BAGS ARE MADE OF PLASTIC AND HELP SAVE LIVES. A BAN COULD ALSO LEAD TO HIGHER COSTS. FOR BUSINESSES, FINDING DIFFERENT MATERIALS MAY NOT BE CHEAP, WHICH COULD MAKE PRICES GO UP FOR EVERYONE. LASTLY, WE NEED TO CONSIDER THAT THERE AREN'T ALWAYS SUITABLE **ALTERNATIVES** FOR EVERY PLASTIC USE. SOMETIMES, IT CAN BE HARD TO REPLACE PLASTIC WITH SOMETHING ELSE THAT WORKS JUST AS WELL.

OVERALL, BANNING PLASTIC HAS CLEAR BENEFITS FOR OUR ENVIRONMENT, BUT WE ALSO NEED TO THINK ABOUT ITS IMPORTANCE IN OUR DAILY LIVES AND INDUSTRIES. IT'S A COMPLEX ISSUE THAT NEEDS CAREFUL THINKING.

VOCABULARY

PROTECT- HIMOYALASH

NON-BIODEGRADABLE- BIOLOGIK PARCHALANMAYDIGAN

LANDFILLS-CHIQUINDILARNI YERGA KO'MISH

SYRINGES-SHPRITSLAR

ALTERNATIVES -MUQOBILLAR
