

**MULTILEVEL
SPEAKING**

PART 1.1

1) WHAT KIND OF MOVIES DO YOU ENJOY AND WHY?

I ENJOY MOVIES THAT HAVE A STRONG STORY AND INTERESTING CHARACTERS. WHETHER IT'S AN EXCITING ADVENTURE, A FUNNY COMEDY, OR A TOUCHING DRAMA, WHAT MATTERS MOST IS HOW THE MOVIE MAKES ME FEEL. I LIKE FILMS THAT CAN MAKE ME LAUGH, THINK, OR SEE THE WORLD IN A NEW WAY. ULTIMATELY, IT'S ABOUT ENJOYING A GOOD STORY AND CONNECTING WITH THE EMOTIONS IT BRINGS OUT.

PART 1.1

2) DESCRIBE A PERSON YOU ADMIRE AND WHY.

I ADMIRE MY TEACHER BECAUSE SHE IS PASSIONATE AND CARING. SHE GOES OUT OF HER WAY TO MAKE LEARNING FUN AND SUPPORTS EACH STUDENT INDIVIDUALLY. HER **DEDICATION** HELPS US GROW AND BELIEVE IN OURSELVES. HER POSITIVE ATTITUDE AND HARD WORK INSPIRE ME TO DO MY BEST AND TO ALWAYS HELP OTHERS.

DEDICATION-BAG'ISHLANISH/SODIQLIK

PART 1.1

3) WHAT IS YOUR FAVORITE PLACE IN YOUR CITY AND WHY?

MY FAVORITE PLACE IN THE CITY IS THE CENTRAL LIBRARY. IT'S A QUIET AND INVITING SPACE WHERE I CAN FIND ALL KINDS OF BOOKS AND RESOURCES. I ENJOY SPENDING TIME THERE READING AND EXPLORING NEW TOPICS. IT'S A GREAT SPOT TO RELAX AND LEARN, AND IT ALWAYS FEELS PEACEFUL AND INSPIRING.

PART 1.2

COMPARE THE TWO MODES OF TRANSPORTATION.
WHICH MODE OF TRANSPORTATION DO YOU PREFER AND WHY?
WHAT ARE THE BENEFITS AND DRAWBACKS OF EACH MODE?

PART 1.2

COMPARE THE TWO MODES OF TRANSPORTATION

IN THE FIRST PICTURE, WE HAVE A CAR. CARS ARE FAST AND COMFORTABLE, MAKING THEM GREAT FOR LONG DISTANCES AND CARRYING PASSENGERS. HOWEVER, THEY COST MORE TO BUY, FUEL, AND MAINTAIN, AND THEY HAVE A HIGHER ENVIRONMENTAL IMPACT.

IN THE SECOND PICTURE, WE SEE A BIKE. BIKES ARE **AFFORDABLE**, ECO-FRIENDLY, AND OFFER GOOD EXERCISE. THEY'RE PERFECT FOR SHORT TRIPS AND ARE EASY TO PARK, BUT THEY'RE SLOWER AND LESS COMFORTABLE FOR LONG JOURNEYS.

SO, WHILE CARS PROVIDE SPEED AND COMFORT, BIKES ARE BETTER FOR SAVING MONEY AND THE ENVIRONMENT.

PART 1.2

WHICH MODE OF TRANSPORTATION DO YOU PREFER AND WHY?

BETWEEN THE CAR AND THE BIKE, I PREFER THE BIKE. IT'S **COST-EFFECTIVE**, ENVIRONMENTALLY FRIENDLY, AND HELPS ME STAY ACTIVE. WHILE CARS ARE GREAT FOR LONGER DISTANCES AND OFFER MORE COMFORT, BIKES ARE PERFECT FOR SHORT TRIPS AND AVOIDING TRAFFIC. THEY'RE EASIER TO PARK AND HAVE A SMALLER IMPACT ON THE ENVIRONMENT, MAKING THEM A BETTER CHOICE FOR EVERYDAY USE.

COST-EFFECTIVE-TEJAMKOR

PART 1.2

WHAT ARE THE BENEFITS AND DRAWBACKS OF EACH MODE?

IN THE FIRST PICTURE, THE CAR OFFERS BENEFITS LIKE SPEED AND COMFORT, MAKING IT GREAT FOR LONG TRIPS AND CARRYING PASSENGERS. HOWEVER, IT IS COSTLY TO BUY, **FUEL**, AND MAINTAIN, AND IT CONTRIBUTES MORE TO POLLUTION.

IN THE SECOND PICTURE, THE BIKE HAS BENEFITS SUCH AS BEING **INEXPENSIVE**, ENVIRONMENTALLY FRIENDLY, AND GOOD FOR EXERCISE. IT'S EASY TO PARK AND HELPS AVOID TRAFFIC. ON THE DOWNSIDE, IT IS SLOWER AND LESS COMFORTABLE FOR LONG JOURNEYS.

SO, CARS ARE IDEAL FOR CONVENIENCE AND COMFORT, WHILE BIKES ARE BETTER FOR SAVING MONEY AND PROTECTING THE ENVIRONMENT.

PART 2

WHAT ARE YOUR THOUGHTS ON THE IMPORTANCE OF RECYCLING?
DO YOU THINK RECYCLING SHOULD BE MANDATORY? WHY OR WHY NOT?
HOW CAN COMMUNITIES ENCOURAGE PEOPLE TO RECYCLE MORE?

PART 2

RECYCLING IS VERY IMPORTANT BECAUSE IT HELPS PROTECT OUR ENVIRONMENT. WHEN WE RECYCLE, WE REDUCE THE AMOUNT OF WASTE THAT ENDS UP IN **LANDFILLS** AND REDUCE THE NEED FOR NEW **RAW MATERIALS**. THIS HELPS **CONSERVE** NATURAL RESOURCES AND CUTS DOWN ON POLLUTION. BY RECYCLING, WE ALSO SAVE ENERGY AND REDUCE **GREENHOUSE GAS EMISSIONS**, WHICH IS CRUCIAL IN FIGHTING CLIMATE CHANGE.

I BELIEVE RECYCLING SHOULD BE **MANDATORY**. MANY PEOPLE MIGHT NOT RECYCLE REGULARLY UNLESS REQUIRED TO DO SO. BY MAKING RECYCLING A LAW, WE ENSURE THAT EVERYONE DOES THEIR PART IN PROTECTING THE ENVIRONMENT. IT ALSO MAKES RECYCLING EASIER BY PROVIDING CLEAR RULES AND CONVENIENT OPTIONS FOR **DISPOSAL**.

COMMUNITIES CAN ENCOURAGE RECYCLING BY MAKING IT SIMPLE AND ACCESSIBLE. FOR EXAMPLE, PROVIDING CLEARLY **LABELED** RECYCLING BINS IN PUBLIC AREAS AND HOMES HELPS PEOPLE KNOW WHAT CAN BE RECYCLED. EDUCATIONAL PROGRAMS IN SCHOOLS AND LOCAL EVENTS CAN TEACH PEOPLE ABOUT THE BENEFITS OF RECYCLING AND HOW TO DO IT PROPERLY. OFFERING **INCENTIVES**, LIKE REWARDS OR DISCOUNTS FOR RECYCLING, CAN ALSO MOTIVATE PEOPLE TO PARTICIPATE.

IN SUMMARY, RECYCLING IS ESSENTIAL FOR ENVIRONMENTAL PROTECTION, AND MAKING IT MANDATORY ENSURES EVERYONE CONTRIBUTES. COMMUNITIES CAN SUPPORT RECYCLING BY MAKING IT EASY AND BY EDUCATING AND MOTIVATING RESIDENTS.

PART 3

Students should not have homework

- | | |
|---|--|
| <ul style="list-style-type: none">• Students have more time to relax and play.• It reduces stress and helps them sleep better.• They can spend more time with family and friends. | <ul style="list-style-type: none">• Homework helps students practice what they learn.• It teaches them responsibility and good study habits.• It helps teachers see where students need more help. |
|---|--|

PART 3

TODAY, I WANT TO DISCUSS WHETHER STUDENTS SHOULD HAVE HOMEWORK. THERE ARE STRONG REASONS ON BOTH SIDES OF THIS DEBATE.

ON ONE HAND, NOT HAVING HOMEWORK CAN OFFER SIGNIFICANT BENEFITS. STUDENTS WOULD HAVE MORE TIME TO RELAX AND PLAY, WHICH IS ESSENTIAL FOR THEIR MENTAL AND PHYSICAL HEALTH. MORE FREE TIME CAN ALSO LEAD TO REDUCED STRESS LEVELS AND BETTER SLEEP, AS STUDENTS ARE NOT **OVERWHELMED** BY ASSIGNMENTS. ADDITIONALLY, WITHOUT HOMEWORK, STUDENTS CAN SPEND MORE QUALITY TIME WITH FAMILY AND FRIENDS, WHICH IS IMPORTANT FOR BUILDING STRONG RELATIONSHIPS AND ENJOYING A BALANCED LIFE.

HOWEVER, HOMEWORK HAS ITS OWN IMPORTANT ADVANTAGES. IT ALLOWS STUDENTS TO PRACTICE AND **REINFORCE** WHAT THEY'VE LEARNED IN CLASS, HELPING THEM UNDERSTAND THE MATERIAL BETTER. HOMEWORK ALSO TEACHES RESPONSIBILITY AND GOOD STUDY HABITS, SKILLS THAT ARE USEFUL BOTH IN SCHOOL AND LATER IN LIFE. FURTHERMORE, IT HELPS TEACHERS SEE WHERE STUDENTS MIGHT BE **STRUGGLING**, SO THEY CAN OFFER THE SUPPORT NEEDED TO IMPROVE.

IN CONCLUSION, WHILE NOT HAVING HOMEWORK CAN PROVIDE STUDENTS WITH MORE RELAXATION AND TIME WITH LOVED ONES, HOMEWORK PLAYS A VITAL ROLE IN REINFORCING LEARNING AND DEVELOPING IMPORTANT LIFE SKILLS. A BALANCED APPROACH THAT CONSIDERS BOTH RELAXATION AND EDUCATIONAL NEEDS MIGHT BE THE BEST SOLUTION..
