

**MULTILEVEL
SPEAKING**

PART 1.1

1)WHAT IS YOUR FAVORITE HOLIDAY AND WHY?

MY FAVORITE HOLIDAY IS NAVRUZ, THE UZBEK NEW YEAR. CELEBRATED IN SPRING, IT MARKS THE START OF A NEW YEAR AND THE ARRIVAL OF WARMER DAYS. IT'S A TIME FOR FAMILIES TO COME TOGETHER, ENJOY SPECIAL FOODS LIKE SUMALAK, AND CELEBRATE WITH MUSIC AND DANCING. NAVRUZ REPRESENTS NEW BEGINNINGS AND FRESH STARTS, MAKING IT A JOYFUL AND HOPEFUL TIME THAT BRINGS PEOPLE CLOSER AND FILLS THE AIR WITH HAPPINESS.

PART 1.1

2) DESCRIBE A RECENT EVENT YOU ATTENDED

I RECENTLY WENT TO A PARTY WITH FRIENDS. IT WAS A LOT OF FUN WITH GREAT MUSIC, DELICIOUS SNACKS, AND LIVELY GAMES. WE SPENT THE EVENING CHATTING, LAUGHING, AND ENJOYING EACH OTHER'S COMPANY. THE ATMOSPHERE WAS RELAXED AND CHEERFUL, MAKING IT A PERFECT WAY TO CATCH UP AND CREATE SOME GREAT MEMORIES TOGETHER.

PART 1.1

3) WHAT DO YOU LIKE TO DO ON WEEKENDS?

ON WEEKENDS, I LIKE TO RELAX AND ENJOY MY FREE TIME. I OFTEN GO FOR WALKS IN THE PARK, READ A GOOD BOOK, OR CATCH UP ON MY FAVORITE TV SHOWS. I ALSO ENJOY SPENDING TIME WITH FRIENDS AND FAMILY, WHETHER IT'S HAVING A MEAL TOGETHER OR JUST **HANGING OUT**. IT'S A GREAT CHANCE TO UNWIND AND RECHARGE FOR THE WEEK AHEAD.

PART 1.2

COMPARE THE TWO DINING EXPERIENCES.
WHICH DINING EXPERIENCE DO YOU PREFER AND WHY?
WHAT ARE THE BENEFITS AND CHALLENGES OF EACH DINING METHOD?

PART 1.2

COMPARE THE TWO
DINING EXPERIENCES.

IN THE FIRST PICTURE, A FAMILY IS DINING AT HOME, ENJOYING A COZY AND **INTIMATE** MEAL TOGETHER. IT'S A RELAXED SETTING WHERE THEY CAN TALK FREELY AND FEEL COMFORTABLE. IN THE SECOND PICTURE, THE FAMILY IS AT A RESTAURANT, EXPERIENCING A MORE FORMAL ATMOSPHERE WITH PROFESSIONAL SERVICE AND A DIVERSE MENU. WHILE DINING OUT OFFERS A SPECIAL TREAT AND A CHANGE OF SCENERY, EATING AT HOME PROVIDES WARMTH AND A PERSONAL TOUCH THAT MAKES THE MEAL FEEL MORE SPECIAL IN ITS OWN WAY. BOTH EXPERIENCES HAVE THEIR OWN UNIQUE CHARM.

INTIMATE-SAMIMIY

PART 1.2

WHICH DINING EXPERIENCE DO YOU PREFER AND WHY?

I PREFER DINING AT HOME. IT OFFERS A WARM, COMFORTABLE SETTING WHERE YOU CAN RELAX AND ENJOY A MEAL WITHOUT THE PRESSURE OF A FORMAL ENVIRONMENT. AT HOME, YOU HAVE THE FREEDOM TO CREATE YOUR OWN MENU, TAKE YOUR TIME, AND SHARE MEANINGFUL CONVERSATIONS IN A COZY ATMOSPHERE. WHILE DINING OUT CAN BE FUN, THE PERSONAL TOUCH AND COMFORT OF HOME MAKE MEALS MORE SPECIAL AND ENJOYABLE FOR ME.

PART 1.2

WHAT ARE THE BENEFITS AND CHALLENGES OF EACH DINING METHOD?

DINING AT HOME OFFERS BENEFITS LIKE COMFORT, PRIVACY, AND THE ABILITY TO **CUSTOMIZE** YOUR MEAL TO YOUR TASTE. IT'S ALSO OFTEN MORE AFFORDABLE. HOWEVER, IT REQUIRES TIME AND EFFORT TO PREPARE AND CLEAN UP. ON THE OTHER HAND, DINING AT A RESTAURANT PROVIDES A SPECIAL EXPERIENCE WITH DIVERSE MENU OPTIONS AND NO CLEANUP AFTERWARD. THE CHALLENGES INCLUDE HIGHER COSTS AND LESS PERSONAL SPACE. BOTH HAVE THEIR **PERKS**, BUT IT DEPENDS ON WHETHER YOU VALUE CONVENIENCE OR A MORE RELAXED ATMOSPHERE.

PART 2

WHAT ARE YOUR THOUGHTS ON THE IMPACT OF TECHNOLOGY ON COMMUNICATION?
DO YOU THINK TECHNOLOGY HAS IMPROVED OR WORSENERED COMMUNICATION? WHY?
HOW CAN PEOPLE USE TECHNOLOGY TO COMMUNICATE EFFECTIVELY?

PART 2

TECHNOLOGY HAS HAD A MAJOR IMPACT ON COMMUNICATION, BRINGING BOTH IMPROVEMENTS AND CHALLENGES.

ON THE POSITIVE SIDE, TECHNOLOGY HAS MADE IT INCREDIBLY EASY TO CONNECT WITH PEOPLE FROM ALL AROUND THE WORLD. WITH SMARTPHONES, SOCIAL MEDIA, AND MESSAGING APPS, WE CAN QUICKLY SEND MESSAGES, SHARE PHOTOS, AND MAKE VIDEO CALLS. THIS MEANS WE CAN STAY IN TOUCH WITH FRIENDS AND FAMILY NO MATTER WHERE THEY ARE. IT ALSO HELPS US **COLLABORATE** ON WORK PROJECTS AND SOLVE PROBLEMS TOGETHER, EVEN IF WE ARE FAR APART.

HOWEVER, THERE ARE SOME DOWNSIDES TO CONSIDER. TECHNOLOGY CAN SOMETIMES MAKE COMMUNICATION FEEL LESS PERSONAL. FOR INSTANCE, TEXT MESSAGES AND EMAILS LACK THE TONE AND BODY LANGUAGE OF FACE-TO-FACE CONVERSATIONS, WHICH CAN LEAD TO MISUNDERSTANDINGS. ADDITIONALLY, BEING CONSTANTLY CONNECTED CAN BE OVERWHELMING AND MIGHT MAKE US FEEL LIKE WE ARE ALWAYS "ON," WHICH CAN AFFECT OUR STRESS LEVELS AND REAL-LIFE INTERACTIONS.

TO COMMUNICATE EFFECTIVELY USING TECHNOLOGY, IT'S IMPORTANT TO USE IT THOUGHTFULLY. FIRST, MAKE SURE YOUR MESSAGES ARE CLEAR AND EASY TO UNDERSTAND TO AVOID CONFUSION. FOR IMPORTANT CONVERSATIONS, TRY USING VIDEO CALLS INSTEAD OF JUST TEXT, AS SEEING AND HEARING EACH OTHER HELPS **CONVEY** EMOTIONS AND **INTENTIONS** BETTER. IT'S ALSO IMPORTANT TO SET **BOUNDARIES** FOR YOUR SCREEN TIME TO AVOID FEELING OVERWHELMED AND TO MAKE TIME FOR IN-PERSON INTERACTIONS. FINALLY, BE MINDFUL OF YOUR TONE WHEN WRITING MESSAGES TO PREVENT MISUNDERSTANDINGS.

PART 3

Electric cars should replace all gasoline cars

- | | |
|--|--|
| <ul style="list-style-type: none">• Electric cars don't pollute the air and help fight climate change.• They use less energy and cost less to run over time.• New technology is making electric cars better and cheaper. | <ul style="list-style-type: none">• There aren't enough places to charge electric cars yet.• Making electric cars and batteries can also hurt the environment.• Switching to electric cars needs a lot of money and time for everyone. |
|--|--|

PART 3

ELECTRIC CARS HAVE BECOME A HOT TOPIC WHEN DISCUSSING THE FUTURE OF TRANSPORTATION. THEY OFFER SOME CLEAR ADVANTAGES OVER GASOLINE CARS, BUT THERE ARE ALSO CHALLENGES TO CONSIDER.

ONE MAJOR BENEFIT OF ELECTRIC CARS IS THAT THEY DON'T POLLUTE THE AIR. UNLIKE GASOLINE CARS, WHICH **EMIT** HARMFUL GASES THAT CONTRIBUTE TO AIR POLLUTION AND CLIMATE CHANGE, ELECTRIC CARS RUN ON ELECTRICITY AND PRODUCE NO EMISSIONS. THIS CAN SIGNIFICANTLY HELP IN FIGHTING CLIMATE CHANGE AND IMPROVING AIR QUALITY.

ELECTRIC CARS ARE ALSO MORE **ENERGY-EFFICIENT** AND CAN BE CHEAPER TO RUN OVER TIME. ELECTRICITY IS GENERALLY LESS EXPENSIVE THAN GASOLINE, AND ELECTRIC CARS HAVE FEWER MOVING PARTS, WHICH MEANS THEY OFTEN REQUIRE LESS MAINTENANCE. AS TECHNOLOGY CONTINUES TO ADVANCE, ELECTRIC CARS ARE BECOMING MORE AFFORDABLE AND OFFERING BETTER PERFORMANCE, MAKING THEM AN INCREASINGLY ATTRACTIVE OPTION.

HOWEVER, THERE ARE SOME CHALLENGES. ONE SIGNIFICANT ISSUE IS THAT THERE AREN'T ENOUGH CHARGING STATIONS YET, WHICH CAN MAKE IT DIFFICULT FOR PEOPLE TO CHARGE THEIR ELECTRIC CARS, ESPECIALLY ON LONG TRIPS. ADDITIONALLY, THE PRODUCTION OF ELECTRIC CARS AND THEIR BATTERIES CAN HAVE ENVIRONMENTAL IMPACTS, SUCH AS **MINING** FOR MATERIALS AND MANUFACTURING PROCESSES THAT CAN HARM THE ENVIRONMENT.

SWITCHING FROM GASOLINE TO ELECTRIC CARS ALSO REQUIRES A LOT OF INVESTMENT AND TIME. BUILDING THE NECESSARY CHARGING INFRASTRUCTURE AND DEVELOPING NEW TECHNOLOGY INVOLVES SIGNIFICANT COSTS AND PLANNING.

IN SUMMARY, WHILE ELECTRIC CARS OFFER GREAT BENEFITS FOR REDUCING POLLUTION AND ENERGY COSTS, THERE ARE STILL **HURDLES** TO OVERCOME. MORE CHARGING STATIONS, IMPROVEMENTS IN BATTERY PRODUCTION, AND INVESTMENTS IN TECHNOLOGY ARE NEEDED TO MAKE THE TRANSITION SMOOTHER FOR EVERYONE.
