

**Part 1.1**

What was your favorite subject in school?  
What is your favorite book?  
Did you have a favorite teacher?

**Part 1.2**

- What do you see in these pictures?
- How does playing outdoors impact a child's physical health?
- What are some reasons why parents might prefer their children to play indoors?

**Part 2**

Describe a time when you shared a secret with someone.  
Was the person reliable?  
Can the people who share too much secrets get hurt?

**Part 3**

Gardening should be taught in schools	
<b>For</b> <ul style="list-style-type: none"><li>• Gardening teaches children about nature and where food comes from.</li><li>• It promotes healthy eating by growing fruits and vegetables.</li><li>• Gardening is a hands-on way to learn responsibility and patience.</li></ul>	<b>Against</b> <ul style="list-style-type: none"><li>• Gardening can take time away from other important subjects.</li><li>• Not all schools have space or resources for a garden.</li><li>• Some students may not enjoy or be interested in gardening.</li></ul>
